

HEART IN HAND CHALLENGE 2026/2027

Welcome to our 2026/2027 Challenge! We wanted to have a challenge for our guild where everyone would be able to participate and hopefully utilize some of their stash. Additionally, we wanted to incorporate some of the suggestions we received from current member. So, to that end, the rules are again simple:

1. At our May 2026 meeting, the **FOUR SEASON CHALLENGE** will be explained. Hopefully, the majority of our guild will participate as it is based on anything or any quilt technique that you like!
2. You must choose **ONE** season from those that we have in our area: Winter, Spring, Summer or Fall/Autumn.
3. Design a quilt **OR** quilted item (there is **NO** size requirement or restriction) using your chosen season.
4. On an index card, please write a description of what inspired you or why you chose to make the item in the challenge.
5. The challenge will be shared with everyone at our May 2027 meeting.
6. Prizes and ribbons will be awarded.
7. The whole idea is to be creative. We wanted to make this a fun activity – one that everyone can participate in no matter the type of item that you choose to do, as we recognize the fact that members make all kinds of items using a variety of techniques. Perhaps you want to make a mug rug or table runner or bag or sneakers or some sort of quilt. The ideas are endless. It has been such fun and inspiration to see what everyone comes up with.
8. Should you have any questions at all, please feel free to contact Gail Kromer.
